

Elizabeth Stewart Aird

Elizabeth Stewart Aird was born 23 August 1855 to William Aird and Elizabeth McLean. Was a twin to William who died at the age of seven. She had two brothers, Henry M. and John W. Aird. Also two sisters, Grace M. Aird Giles and Janet Aird Wing. Both sisters preceded her to the great beyond.

She was married at seventeen years of age to Ludwig Anderson. Five sons and five daughters were born to her .

A growth started upon her neck during the summer of 1911. She was taken to Provo General Hospital and her brother Dr. John W. Aird pronounced it cancer of the throat. A little later she was taken to Salt Lake City for examination by other doctors who gave the same opinion. Later she was taken by Dr. John Aird and her daughter Mary to Cleveland, Ohio to a cancer specialist but of no avail. She returned to Provo and died in the Hospital 5 December 1911.
